**Wisconsin Commercial Real Estate Women (WCREW)
2009 Showcase Award Winners Announced**

Milwaukee, WI (October 26, 2009) - Wisconsin Commercial Real Estate Women (WCREW), is pleased to announce the winners of the Ninth Annual WCREW Showcase Awards, which recognizes significant real estate development and redevelopment projects in Wisconsin. Projects that achieved substantial completion for occupancy or opened between July 1, 2006 and June 30, 2009 were considered by a panel of judges made up of community leaders and real estate professionals.

The *Impact Award for Ingenuity* winner was **The Iron Horse Hotel** located in Milwaukee, WI. Project team members included: Dixon Development, LLC, The Kubala Washatko Architects, and Kelly Construction & Design.

The *Vision Award for Ingenuity* winner was **234 Florida Street** located in Milwaukee, WI. Project team members included: Pieper Properties, Inc., James Piwoni Architects, and Barthenheier Construction.

The *Impact Award for Achievement* winner was the **Johnson Controls Global Headquarters Expansion** located in Milwaukee, WI. Project team members included: Johnson Controls, Gensler, and Hunzinger Construction Company.

The *Vision Award for Achievement* winner was the **Prairie Apartments** located in Milwaukee, WI. Project team members included: Heartland Housing, Inc., The Guest House of Milwaukee, Continuum Architects + Planners, S.C., and VJS Construction Services, Inc.

The *Judges' Choice Award for Impact* winner was the **Milwaukee City Hall Restoration** located in Milwaukee, WI. Project team members included: the City of Milwaukee, Engberg Anderson, Inc., and JP Cullens & Sons, Inc.

The *Judges' Choice Award for Vision* winner was **The Keller Building** located in Milwaukee, WI. Project team members included: Keller Investments, LLC, HGA Architects & Engineers, Inc., and Dahlman Construction Company.

Congratulations to all of the award winners!

WCREW is the Wisconsin chapter of the CREW Network, a national organization that brings commercial real estate professionals together from every discipline to network and share educational opportunities.
